

### **CATARACT AWARENESS MONTH-2022**

Our NSS Unit of Sree Vidyanikethan College Of Nursing has organized an awareness programme on cataracts. III Year B.Sc Nursing Volunteers participated in the programme. They created awareness among the students of II B.Sc students. In this program, they highlighted the problems faced by older people who are suffering from cataracts and also they presented about the cataract condition its incidence, causes, symptoms, prevention and management.
