

NATIONAL DEWORMING DAY 2023

MASS DRUG DISTRIBUTION & HEALTH AWARENESS PROGRAM

Sree Vidyanikethan College of Nursing conducted MASS DRUG DISTRIBUTION & HEALTH AWARENESS PROGRAM on the occasion of **NATIONAL DEWORMING DAY on 10-02-2023**. NSS Volunteers actively participated in the drug distribution & health awareness program and shared their knowledge regarding worm infestations, their risk factors, symptoms, management & prevention. NSS Volunteers provided good knowledge to school children regarding personal hygiene, hand washing techniques, environmental hygiene, and different worm infestations.

The poster features the Sree Vidyanikethan College of Nursing logo and the National Service Scheme (NSS) logo. It includes a central image of a child being administered a deworming tablet. The text on the poster reads: "NATIONAL DEWORMING DAY MASS DRUG DISTRIBUTION CAMPAIGN" and "10th February". It also mentions the location "9 GOVT. SCHOOLS, A. RANGAMPET" and the organizers: "Organized By: NSS UNIT OF SREE VIDYANIKETHAN COLLEGE OF NURSING" and "In Collaboration With: Subcenter A. Rangampet".
