

SREE VIDYANIKETHAN COLLEGE OF NURSING
JOURNAL CLUB PRESENTATION ON
PREVALENCE OF DENTAL CARIES AND ORAL HYGIENE STATUS OF
CHILDREN AGED 12-15 YEARS IN GOVERNMENT Vs PRIVATE SCHOOLS IN
JAMMU CITY

Sri Vidyanikethan College of Nursing organized a Journal club presentation on "prevalence of dental caries and oral hygiene status of children aged 12-15 years in government verses private schools in Jammu city" Under the leadership of Prof. Dr. Prathima P, Principal, SVCN and guidance of Mrs.D.Divya, Assistant Professor. The objective of the Journal Club Presentation is students will be able to understand and critiquing the key areas of the research article like research area, problem statement and its objectives, methodology, finding, results and recommendations.

The poster features the Sree Vidyanikethan College of Nursing logo at the top left. A central illustration shows a smiling tooth with a tongue sticking out, being brushed by a blue toothbrush. The text on the right reads: "Journal Club Presentation PREVALENCE OF DENTAL CARIES AND ORAL HYGIENE AMONG CHILDREN PRESENTERS MS. ARJU MR. BHANU PRASAD MS. BLESSY CHRISTIANA MS. ZAKIYA SULTANA". At the bottom left, the date and time are listed: "26-07-2024 3:00 PM - 4:00 PM". At the bottom right, the location and organizer are specified: "SVCN SEMINAR HALL ORGANIZED BY: SREE VIDYANIKETHAN COLLEGE OF NURSING".

The topic was presented by Ms.B.Blessy christiyana 4th year Student. The article was chosen from journal of South Asian Association of Paediatric Dentistry. The presenter highlighted various prominent areas of the article and critical appraisal was done simultaneously on the areas like methodology, finding, results and recommendations. The faculty members had actively participated in the presentation and gave comments based on their knowledge and expertise. Beneficiaries gained knowledge related to prevalence of dental caries and oral hygiene among the students in government versus private schools and critical appraisal of an article. Journal club came to an end by 4.00 pm.

Mr.Satheesh Kumar Vice Principal and other faculties provided the suggestion and added valuable points on research article presentation. Fourth year students were benefitted.
