

## CNE REPORT ON FORENSIC NURSING

Sree Vidyanikethan College of Nursing has organized a CNE program on FORENSIC NURSING on 17.09.2024 at Dasari Auditorium from 02:30 – 04:00 pm. Dr. B. Archana, Professor & Mrs.D.Divya, Assistant professor, has presented about the FORENSIC NURSING. Pre-tests and post-tests were conducted before and after the session. The objective of the CNE is to make students aware of forensic nursing and its applications, the collection of clues from the victims, and also how it will be helpful for the legal system.

### **Conclusion:**

Continuing Nursing Education on forensic nursing was conducted to develop the knowledge among the students. The session was effective and the participants gained an understanding of forensic nursing which is comprehensively reflected in the post-test result. We would continue the process of learning with the great support and guidance of Dr.Prathima, Principal, of Sree Vidyanikethan College of Nursing.
