EXPERT LECTURE ON

HEALTHY BEGINNINGS HOPEFUL FUTURES

07th April 2025
3:00 PM - 4:00 PM

Speaker

Dr. Visweswara Rao,
Associate professor
Community Medicine,
Sri Padmavathi Medical College,
Tirupati

 **Dasari Auditorium**

Organized by : **Sree Vidyanikethan College of Nursing**

Dr. Visweswara Rao, Associate Professor initiated the expert lecture with the importance of celebrating the World Health Day and its relationship with Sustainable Development Goals. He discusses about maternal mortality statistics both in global and national wise, classification of maternal mortality, causes of maternal death, prevention and social measures to reduce maternal mortality rates. Further, he discussed about neonatal mortality rates, medical causes, contributing factors, preventive nutrition, breast feeding and vaccination. Finally, discussed about community health programmes that support maternal and new born health and well-being.

A total of 160 B.Sc Nursing students from all the batches were participated in this programme and made this event successful.

The outcome of the programme is participants gained better understanding about the importance of Healthy beginning and Hopeful futures towards maternal and newborn wellbeing.

Conclusion:

Expert Lecture on World Health Day theme “Healthy Beginnings Hopeful Futures” was organized to enhance the better understanding about the importance maternal and neonatal mortality statistics both in global and national wise, prevention and social measures to reduce mortality rates towards maternal and newborn wellbeing.
