

## **SREE VIDYANIKETHAN COLLEGE OF NURSING**

### **NATIONAL DEWORMING DAY-2025**

NSS Unit of Sree Vidyanikethan College of Nursing organized a Tab. ALBENDAZOLE distribution & health education program among children below 15 years of age groups at various schools at A.Rangampeta on 10.02.2025 in collaboration with primary health center, Bakarapet. Students prepared various health education materials flash cards, charts regarding worm infestation and importance of deworming.

The poster features a photograph of a hand giving a pink deworming tablet to a young child. To the right, the text reads: **NATIONAL DEWORMING DAY AWARENESS PROGRAM**, **TOGETHER, WE CAN DEWORM OUR CHILDREN**, and **10<sup>th</sup> February 2025 | 12:00 NOON - 01:00 PM**. The National Service Scheme (NSS) logo is also present. At the bottom, it states: **In Collaboration with: PRIMARY HEALTH CENTER, BAKARAPETA**, **Organized by NSS UNIT, SREE VIDYANIKETHAN COLLEGE OF NURSING**, and the Sree Vidyanikethan College of Nursing logo.

Dr. Geethavani. G initiated the faculty Enrichment programme with brief introduction and Definition, Types of Mind mapping tools, its Uses. Explained about Steps of Mind mapping. Described about the benefits of Mind mapping for employees, students and Educational Institutions.

**Students along with deworming team visited the school at Rangampeta**

**Students administred the albendazole tablets to the students**

**Hand washing demonstration to the students**

**Students explaining the different types of worms**

Total 250 students are getting benefited from various schools on the deworming day.
