NSS Volunteers of Blood donation Camp from Sree Vidyanikehtan College of Nursing

The blood donation was done by the medical team. The program ended at 1pm. Our staff and many students donated blood with proud hearts. Over all **600 registrations** were done including students and faculty from Sree Vidyanikethan educational institutions. This was an act of great service to humanity.

Our college has been religiously organizing blood donation camps every year and students and the faculty members come forward voluntarily to donate blood. While addressing to people at the camp, our NSS volunteers helped the donors and brought awareness in them about shortage of blood and the importance of donating blood every year.
