### **REPORT ON OLD AGE HOME VISIT**

Sree Vidyanikethan College of Nursing organized an educational field visit to **Arunodaya Old Age Home** on **27-04-2026** from **10:00 AM to 01:00 PM**. A total of **44 students of 5th Semester**, accompanied by **Dr. M. S. Shareef, Professor**, and **Mrs. Bhuvanasai Ravilla, Assistant Professor**, participated in the visit.

After reaching the old age home, the students interacted and communicated with the elderly residents to collect geriatric history and understand their physical, psychological, and social needs. The students also discussed the importance and benefits of old age homes in providing care and support for senior citizens.

The teachers has informed to students about the various services available at the old age home, which include:

1. Admission for elderly persons above 60 years of age, especially those who are single, without family support, or neglected by family members.
2. Free services for Below Poverty Line (BPL) individuals, along with paid service facilities.
3. Availability of single, double, and shared accommodation rooms.
4. Rehabilitation and occupational therapy services for residents.
5. Free health check-ups conducted twice annually.

As part of the community service activity, the students distributed bananas, buttermilk, and a 25 kg rice bag to the elderly residents.

The visit provided valuable learning experiences for the students regarding geriatric care, communication skills, empathy, and the importance of supporting elderly individuals in society.
