

ALUMNI INTERACTION SESSION

NURSING BEYOND THE GRADUATION

Sree Vidyanikethan College of Nursing (SVCN), under the guidance of Prof.Dr. Lavanya Pachipala, Principal, Sree Vidyanikethan College of Nursing, organized an alumni interaction session on 25-09-2026 from 2:30 PM to 4:00 PM at the SVCN Seminar Hall through the ZOOM platform, titled "NURSING BEYOND GRADUATION."

The session was delivered by Mr. R. Narasimha Prasad, B.Sc. Nursing (2018–2023 batch), currently working as an EU Registered Nurse at Mater Dei Hospital, Malta.

The main objective of the interaction programme was to guide final-year students regarding career opportunities after B.Sc. Nursing, share real-life professional experiences, and provide insights into skill development and training requirements for pursuing nursing careers in India and abroad.

The session provided students with valuable information about career pathways, professional expectations, required competencies, and opportunities for higher education and international nursing practice.

During the interaction, he emphasized the importance of obtaining relevant certifications after completion of the final-year examinations and developing essential clinical and professional skills required in hospitals. Particular emphasis was given to communication skills, clinical competencies, professional behavior, and adaptability in the international healthcare environment.

He also explained the various requirements for pursuing nursing opportunities abroad, including qualifying relevant examinations such as OET (Occupational English Test) and NCLEX (National Council Licensure Examination), along with fulfilling the respective registration and licensing requirements of the destination country.

The students actively participated in the session and interacted with the alumni. They raised questions regarding salary packages, working hours, overseas nursing opportunities, registration procedures, examination requirements, and the process of obtaining employment abroad. The alumni responded to their queries and shared practical experiences from his professional journey.

A total of 104 students participated in the interaction programme. The students expressed their interest in having more such sessions with SVCN alumni who are currently working in different countries, as these interactions would provide them with practical guidance and greater awareness of international career opportunities.

The programme concluded with a vote of thanks, expressing gratitude to the management, Principal, alumni, faculty members, and students for their active participation and support in making the session informative and meaningful.
