Mrs. R.Bhuvanasai, Asssitant Professor has presented about CONFLICT RESOLUTION & COMMUNICATION SKILLS IN NURSING as a part of Faculty Development Program on 19.09.2026

The program covered key aspects such as types of conflict in nursing practice, communication barriers, assertive communication, therapeutic communication techniques, and practical models of conflict resolution. The session enhanced faculty competencies in handling interpersonal and organizational conflicts effectively.

Outcome of the program is participants gained clarity on SBAR communication, assertive behavior, negotiation skills and approaches for resolving student-faculty and staff conflicts.
