

REPORT ON FACULTY ENRICHMENT PROGRAM- ROLE OF NURSING RESEARCH AND INNOVATION IN SHAPING GLOBAL HEALTH

Faculty Enrichment Programme (FEP) on **“Role of Nursing Research and Innovation in Shaping Global Health”** on 17 October 2026, from 6:30 PM to 7:30 PM. The session was conducted by Mrs. K. Meena under the guidance of Dr. Lavanya Pachipala, Principal, Sree Vidyanikethan College of Nursing, focusing on the significance of nursing research and innovation in improving healthcare quality and patient outcomes globally.

The screenshot displays a Google Meet interface with a PowerPoint presentation being shared. The presentation slide is titled "FACULTY ENRICHMENT PROGRAMME" and "ROLE OF NURSING RESEARCH AND INNOVATION IN SHAPING GLOBAL HEALTH". It includes details about the event: Platform Online, Date 17th October 2026, Venue Google Meet, and Time 6:00. The speaker is listed as Mrs. K. Meena, Associate Professor, Sree Vidyanikethan College of Nursing. A registration link is provided: <https://bit.ly/4jhkONY>, with a registration fee of ₹ 100/-. A QR code is also shown for scanning and payment. The slide also asks "WHO CAN PARTICIPATE?" and lists "Nursing Faculty" as the target audience. The Google Meet interface shows participants: Karthik Melanati, Anusha Jagadee..., Suleman shareef, and Meena K (presenting). The system clock at the bottom indicates 6:19 AM on 10/17/2026.

The session highlighted the importance of evidence-based nursing practice, research in improving patient safety, and innovative approaches to addressing emerging healthcare challenges. Key areas discussed included digital health technologies, telehealth, artificial intelligence, disease prevention, health promotion, and reducing healthcare disparities. Emphasis was also placed on the role of nurse educators in promoting research skills, critical appraisal of scientific literature, and the integration of research findings into nursing education and clinical practice.

The programme emphasized that nursing research and innovation are essential for advancing healthcare services, improving patient outcomes, and addressing global health challenges. The session encouraged faculty members to actively participate in research activities and adopt evidence-based and innovative approaches in nursing education and practice.
